Dear Commissioner

Commissioner of Police  
CORR. No. A-3118/03  
FILE NO. C4/85  
11 Jun 2003  
ACTION ACO.

Could you please advise if Tasmania Police have conducted, or are conducting, further investigations over and above those initially conducted into the alleged illegal introduction of foxes into Tasmania?

Have any further conclusions been reached since the earlier reports?

Could you also please advise if Tasmania Police have confirmed the identification of any persons involved in the alleged illegal introduction of foxes into Tasmania?

Is Tasmania Police able to prove that certain persons did illegally bring foxes into this State?

Can Tasmania Police prosecute such persons, or is it the case that Tasmania Police have not prosecuted such persons because of the Statutes of Limitations?

Your urgent advice would be much appreciated.

Yours sincerely
